Re: U.S. v. Paris Roberts
18 Cr. 420 (ALC)

Dear Judge Carter:

This letter is respectfully submitted to request an adjournment of the violation of supervised release hearing in the above-captioned matter, currently scheduled for February 1, 2022. The adjournment is requested because the underlying case against Mr. Roberts in New York State court has not progressed and thus the parties have nothing to report to the Court and are not prepared to proceed. The parties are hopeful that if the hearing is adjourned to a date in March, they will be in a position to decide how to proceed in this matter.

I have been in contact with AUSA Christopher Clore, who advised me that the Government joins in the requested adjournment.

Thank you in advance for your consideration of this application.

Respectfully submitted,

Avraham C. Moskowitz

The application is **GRANTED**. The violation of supervised release hearing is adjourned to March 8, 2022 at 11:30 a.m.
